

THIS COURSE IS PART FUNDED BY ICOS SKILLNET

About the ICOS Skillnet

The ICOS Skillnet is the Irish Co-operative Organisation Society Skillnet and is a network of member co-operatives nationwide. Members use the network to avail of grant-assisted training and networking opportunities for their owners, managers and staff. The network's long term strategy is to continue to support the co-operative and agri-business sectors in meeting their training & development needs to sustain competitiveness and growth for the sectors.

ICOS SKILLNET provide training in the following areas: Co-Operative & Industrial Provident Society Director Training; People Management; Planning & Strategy; Management Development; Communication Skills; Sales & Marketing; Finance; Technical Skills; Health & Safety and Information Technology.
